

Support the fib PhD Symposium 2026

Sponsorship Opportunities

9–11 September 2026 · Vienna, Austria
KOIN-Institute, BOKU University

Why sponsor?

Partner with the next generation of engineers. Sponsoring the fib PhD Symposium connects you with top talent, cutting-edge research, and international visibility in structural concrete.

Your benefits:

- Direct contact with PhD candidates & academic leaders
- Visibility in all event materials and online platforms
- Presence at the symposium venue
- Association with innovation, sustainability & education
- Opportunity to support the future of civil engineering
